

Ventura County Bryophytes

By David L. Magney

Aloina ambigua
Aloina bifrons
Amblystegium juratzkanum
Anacolia baueri
Anacolia menziesii
Anacolia sp.
Asterella californica
Barbula convoluta
Barbula unguiculata
Bestia longipes
Brachythecium collinum
Bryoerythrophyllum columbianum
Bryoerythrophyllum ferruginascens
Bryoerythrophyllum recurvirostrum
Bryolawtonia vancouveriensis
*Bryum argenteum**
Bryum capillare
Bryum gemmascens [*Rosulabryum* g.]
Bryum lisae
Bryum subapiculatum [*Gemmabryum* s.]
Bryum torquescens [*Rosulabryum* t.]
Bryum violaceum [*Gemmabryum* v.]
Ceratodon purpureus
Claopodium whippleanum
Conardia compacta
Dendroalsia abietina
Didymodon brachyphyllus
Didymodon eckeliae
Didymodon rigidulus
Didymodon tophaceus
Didymodon vinealis
Drepanocladus aduncus
Encalypta intermedia
Encalypta rhaptocarpa
Ephemerum serratum
Eucladium verticillatum
Fabronia pusilla
Fissidens crispus
Fissidens sublimbatus
Fossombronia longiseta
Funaria hygrometrica var. *hygrometrica*
Funaria sp.
Grimmia laevigata
Grimmia lisae
Grimmia pulvinata
Grimmia tenerrima
Grimmia trichophylla
Gymnostomum sp. 1
Gymnostomum sp. 2
Hedwigia detonsa
Hennediella stanfordiensis
Homalothecium aeneum
Homalothecium arenarium
Homalothecium nuttallii
Homalothecium pinnatifidum
Hygroamblystegium tenax
Microbryum starkeanum
Orthotrichum affine
Orthotrichum bolanderi
Orthotrichum tenellum
Orthotrichum sp.
Phaeoceros pearsonii
Phascum cuspidatum [*Tortula acaulon*]
Pohlia bolanderi
Pohlia nutans
Pohlia obtusifolia
Porella bolanderi
Porella cordaeana
Pseudocrossidium crinitum
Pterogonium gracile
Pterygoneurum ovatum
Riccia nigrella
Riccia trichocarpa
Schistidium cinclidodonteum
Scleropodium julaceum
Scleropodium obtusifolium
Scleropodium touretii
Sphaerocarpos cristatus
Syntrichia inermis
Syntrichia montana
Syntrichia princeps
Syntrichia ruralis
Targionia hypophylla
Timmia crassinervis
Tortula atrovirens
Tortula brevipes
Tortula californica
Tortula inermis
Tortula muralis
Tortula princeps
Tortula guepinii
Tortula ruralis
Tortula subulata
Tortula systylia
Weissia controversa

Checklist based on vouchered specimens at UC, SFVU, and Carl Wishner. **Bold typeface** indicates species rare in Ventura County (5 or fewer populations in the County).
